# RANCH HAND

PROTECT YOUR TRUCK

## GRILLE GUARDS

- Punched grille inserts match your truck brand's grille pattern
- Constructed from 12-gauge steel tubing
- 4-point frame-mounted for maximum stability and durability

## FRONT BUMPER

### LEGEND SERIES

- Replaces factory bumper & provides a solid defense against obstacles on the road
- Combining a diamond-plate body with a built-in grille guard
- Constructed from 12-gauge steel tubing
- Standard 2" receiver, tow hooks and factory fog lights retained on most applications

### SPORT SERIES

- Accommodate a 9.5K/16.5K winch capable of holding up to 16,500 lb winch
- Built from 1/4" formed channel and offer a 2" receiver
- Crafted for 3/4 & 1 ton trucks using 1/4" formed C-channel

## BACK BUMPERS

- Tested to 1,000 lbs tongue weight and 10,000 lbs towing capacity or 500 lbs tongue weight and 5,000 lbs towing capacity
- Built-in side step for easy bed access in some models
